* The Adolescent Health Index is a developmental JSNA in	ndex.				- (3) (2) (1)	0 1 2 3	

The JSNA Indexes are a result of the Joint State Needs Assessment, a partnership between three programs within Kansas Department of Health and Environment: Maternal and Child Health, Primary Care, and HIV/AIDS. The Indexes are simply a tool to be used in conjunction with other data and program information from your community. For more information, see the accompanying guide, "How to Use Your JSNA County Index Summary."
